Purposes:

- To change the pupils' mind about Literature warmly.
- To make an awareness how literature is in life.
- To make literacy visual art
- To see the world's different cultural and literature in Europe.
- To change our e-twinning Project into an ERASMUS+ KA210 if possible.

Working Process:

JANUARY
<ul style="list-style-type: none">➤ After NSO approval, we will have our twinspace and can share all the images, videos, pages or materials.➤ On twinspace ,Project members will be invited by the co-ordinator or co-founder.➤ All the schools will choose 5 pupils to work with during the Project.➤ E-twinning parental consent letter will be sent to all of you for parents's permission for sharing visual things on the platform.➤ Parental consent letter will be uploaded on twinspace by each school themselves.➤ Teachers' online meeting(we will decide the day and the time later)
FEBRUARY
<ul style="list-style-type: none">➤ E-twinning school board will be prepared by the participant pupils of each school.➤ Graffiti writing contest : the participant 5 students will make some workshops for graffiti writing by using the Word "Literature"➤ All the Project Works will be taken photos to upload on twinspace and will be on the school board to let everybody see at school.
MARCH
<ul style="list-style-type: none">➤ Online pupils' meeting (the day and the time will be announced later) tool kit work: CANVA (the programme to make logo or poster)➤ Project posters are going to be prepared by every pupil at each school and then every school will choose the best one. Every school will have poster and on google forms, we will make an online questionnaire and decide the project's poster with all school students or teachers in each school in a week.➤ Posters will be presented on school board. And uploaded on twinspace.
APRIL
<ul style="list-style-type: none">➤ The corridor and speaking walls of Literature: Each school will decide the periods of literature in their own country and divide them into groups to cover the walls of a corridor at school. All the visual things are going to be printed by a printing press, which is paid with the school budget by the school directors.(Please, talk about this and inform your school directors before the Project)➤ Quality label; We are going to apply for quality label for each school teacher that's why teachers at the same school can not be in the same e-twinning Project.
